

BACTS
Notice of Availability
for Public Comment

The Bangor Area Comprehensive Transportation System (BACTS) is seeking public comment on amending the 2017-2020 BACTS Transportation Improvement Program (TIP). Project WIN 0223318.00; is a project that would be added to the BACTS FY 2017-2020 TIP. This project would provide preservation paving on Coldbrook Road beginning in Hermon 0.04 of a mile southeast of Autocar Lane and extending southeasterly 2.53 miles ending at Route 202 in Hampden.

PIN	Town	MPO	Development Responsibility	Scope	Description	PE	ROW	Construction	CE	Total
23318.00	Hermon, Hampden	BACTS	MaineDOT	Highway Preservation Paving	On Coldbrook Road beginning in Hermon 0.04 of a mile southeast of Autocar Lane and extending southeasterly 2.53 miles ending at Route 202 in Hampden.	\$7,572	\$0	\$326,370	\$7,604	\$341,546

Please direct comments by mail to the attention of Mr. Robert Kenerson, BACTS 12 Acme Rd., Suite 104; Brewer, Maine 04412; or by e-mail at robk@bactsmo.org. Comments will be accepted until 4:00 pm, August 14, 2017.
